# Colter's CREEK

Lewis Clark Valley  
2019

## Riesling

2019 was a cool year marked by a wet spring and an early frost. These conditions produced a Riesling with balanced sugar and acid levels. This vintage boasts notes of quince, pear, stone fruit, and petrichor....like biting into the first white peach of the season on a rainy day. Drinks well with spicy foods.

### DESIGNATION

Lewis-Clark Valley

### VINEYARD

Colter's Creek
