

Lewis-Clark Valley 2019

## Cabernet Sauvignon-Merlot

*Expedition Series*

The cold, wet spring of 2019 was followed by a summer just warm enough to perfectly ripen grapes in the Northwest. While an early October frost cut the harvest season short, the flavors in our 2019 vintage are incredible. The bright fruit notes and mellow body of Merlot compliments the dark fruit and vegetal notes of the Cabernet Sauvignon in this beautiful blend. Subtle oak tones of pipe tobacco and medium-high tannins make this wine a fine selection for any meal.

## FOOD SUGGESTIONS

While Cab-Merlots can handle any dish, from ragù to a rare cut of beef, one of its best pairings, hands-down, is with freshly foraged mushrooms sauteed in butter. You're welcome.

Serve between 65-68°F for optimal flavors.

## AGING POTENTIAL
